

How your Local Government or Community Based Organization can benefit by being an XO TrustCard operator

Using the XO TrustCard to get ongoing revenue forever

Local Governments (Municipalities) and non profit organizations acting as XO TrustCard operators provides them with an avenue to harness the value of community resources and keep wealth circulating within the local economy while getting a regular income forever.

2000 members

Say each member spends on average \$250 credit per month

For example:

- 2000 members register with the local municipality to use your XO TrustCard system
- The municipality gives each member a line of credit and an XO TrustCard
- They spend their credit with each other and with members of other XO TrustCard member communities

Each member gets an XO TrustCard and spends \$250 a month

As an XO TrustCard operator it charges a 5% transaction fee
